	Elgin Pro Stock Kit (Front & Rear)	KRC Urethane		KRC Low Friction Steel		Urethane		Standard Steel	
	Front & Rear Included	Front	Rear	Front	Rear	Front	Rear	Front	Rear
Oval Rear	EL-K5149	KRC-8800-3	KRC-8800-1	KRC-8801	KRC-8800	PR916-34534	PR916-34546	PR916-34034	N/A
Round Rear	EL-K6076	KRC-8800-3	KRC-8800-2	KRC-8801	KRC-8802	PR916-34534	PR916-34536	PR916-34034	PR916-34036

1977-1988 Impala Lower Control Arms									
	Elgin Pro Stock Kit (Front & Rear)	KRC Urethane		AFCO Low Friction Steel		Urethane		Steel	
	Front & Rear Included	Front	Rear	Front	Rear	Front	Rear	Front	Rear
	EL1K6109	N/A	N/A	20076LW	20077LW	PR916-34537	PR916-34538	PR916-34037	PR916-34038

Elgin Pro Stock	Elgin Pro Stock Bushings are stock replacement bushings and are sold in pairs. Front and Rear Bushing included. 1 pair per control arm.
KRC Urethane	High Strength Prothane Urethane bushings. These bushings will improve handling and travel over stock rubber bushings. Sold Individually
KRC Low Friction Steel	Heavy Duty Chrome Moly Steel with Delrin insert. Grease fitting included. Will dramatically free up suspension travel, offering you improved handling and performance at the track. Sold Individually
Urethane	Urethane bushings improve handling over stock rubber bushings. Sold Individually
Standard Steel	Steel Bushings include grease fitting and minimize alignment change during cornering since they do not deflect. Sold Individually
